---

## Objective

Front-End Development Internship

---

## Professional Summary

I am a Systems Analysis and Development student focused on Front-End development.

Hands-on experience with HTML, CSS, JavaScript, React, and Git.

Proficient in version control using GitHub.

Intermediate English (EF SET - B1 certified).

Proactive, self-taught, and committed to continuous learning. Seeking an opportunity to apply my knowledge and grow as a developer in a professional environment.

---
